- N 57 31 10.9, W 4 12 53.3

Driving Instructions:

Below this map are instructions by road from the North and South. At the bottom of the page is a Print button which will allow you to print all or parts of this page should you like to.

Directions to Old Drynie House from A9

1. Approaching from the South Coming from the south turn off at the North Kessock Junction and take the third exit which will take you under the dual carriageway. Approaching from the south you will have come under the dual carriageway. Take the first turn on the left.	
1. Approaching from the North Coming from the north, turn off at the North Kessock Junction and safely take the first right before going under the dual carriageway.	
2. Pass the old Drumsmittal School Follow the road past the old Drumsmittal Primary School.	

3. Take the First Right Take the first right after passing the Primary School.	
4. Towards Ord Hill After taking a right turn, you shall be on a straight road heading towards Ord Hill. Once at the top, continue to follow the road around the bend and follow the road past the Ord Hill turn off.	
5. Right Turn At Junction Take a right turn when you have reached the junction for Kilmuir and continue to follow the road. Be careful – it is at this point that the post code directions would take you directly onwards. You want to turn right here.	

6. Take A Right At Bend

When you have reached the bend, turn in to our drive (at the cairn), just short of the 90 degree bend and go straight to the bottom end of the driveway to Old Drynie House.
